

NSP-4602B Dual-Light LED Headlamp

MARKET APPLICATIONS	Law enforcement, search & rescue, aviation, industrial, automotive and hunting & recreation
DESCRIPTION	This is a non-rechargeable Dual-Light all LED Headlamp. Utilizing Nightstick's exclusive Dual-Light design, this headlamp combines a tight-beam long-throw spotlight, with a wide-beam close area floodlight. Rated at 9 lumens, the spotlight beam on this headlamp is designed for distance illumination. In addition to the spotlight beam, this headlamp also has a wide-beam 30 lumens floodlight. The floodlight spreads out in a wide even pattern of light expressly for the purpose of providing illumination of areas that are close by. Additionally, both the spotlight and the floodlight can be turned on at the same time, thus allowing for dual illumination of both distant objects and ones that are close. The unique design of the head, allows it to be tilted down for optimum light positioning. The elastic headband is adjustable and has a pair of rubberized strips around the inside perimeter that keep the strap in place.
CASE MATERIAL	Engineered Polymer
DIMENSIONS	Width: 2.4 inches (61 mm) • Height 1.9 inches (48 mm) • Depth 1.8 inches (46 mm)
WEIGHT	Weight: 3.3 oz. (94 g) with batteries installed
LENS	Unbreakable polycarbonate with scratch resistant coating
LIGHT SOURCE	Spotlight: CREE® LEDs Impervious to shock with a 50,000 + hour lifetime
LIGHT OUTPUT	Spotlight - 9 lumens • Floodlight - 30 lumens • Dual-light - 30 lumens
ON/OFF	Single Switch - Spotlight • Floodlight • Dual-light
RUN-TIME	Spotlight - 40 hours • Floodlight - 11 hours • Dual-light - 16 hours
BATTERY	3 Premium alkaline AAA batteries (included)
FEATURES	<ul style="list-style-type: none"> • Spotlight / Floodlight / Dual-light • CREE® LED technology – 50,000 + hours LED life • Spotlight beam for distance illumination • Unfocused wide-beam floodlight for close-up illumination • Dual-light (spotlight & floodlight at same time) for maximum versatility • IP-X7 Waterproof • Drop rated to 2 meters • Impact & chemical resistant • Engineered polymer housing • Single switch located on top of light • Adjustable ratchet tilt head • Includes Non-slip elastic head strap and 3 premium AAA alkaline batteries
WARRANTY	Limited Lifetime warranty • Lifetime on LEDs, housing, lens, electronics and switches. Batteries, normal wear and abuse are excluded.
APPROVALS	 This product's components are in compliance with the European Union's directive 2002/95/EC, Restrictions of Hazardous Substances (RoHS)
