

NSP-4610B

Multi-Function LED Headlamp

MARKET APPLICATIONS	Law enforcement, search & rescue, aviation, industrial, automotive and hunting & recreation
DESCRIPTION	This non-rechargeable multi-function headlamp features a multi-position tilt head design and includes an elastic head strap with a non-slip lining. Utilizing Nightstick's exclusive Dual-Light design, this headlamp combines a tight-beam long-throw spotlight, with a wide-beam close area floodlight. Rated at 150 & 80 lumens respectively, the high and low-brightness spotlight beams on this headlamp are designed for distance illumination. This headlamp also has three wide-beam floodlight settings...white, red and green. The floodlight spreads out in a wide even pattern of light expressly for the purpose of providing illumination of areas that are close by. Additionally the white spotlight & white floodlight settings can be selected simultaneously for even greater functionality. The top mounted dual switches provide high/low-brightness spotlight and white/red/green floodlight selections.
CASE MATERIAL	Engineered Polymer
DIMENSIONS	Width: 2.6 inches (66 mm) • Height 2.1 inches (53 mm) • Depth 1.8 inches (46 mm)
WEIGHT	Weight: 3.3 oz. (94 g) with batteries installed
LENS	Unbreakable polycarbonate with scratch resistant coating
LIGHT SOURCE	Spotlight: CREE® LEDs Impervious to shock with a 50,000 + hour lifetime
LIGHT OUTPUT	High Spotlight - 150 lumens • Low Spotlight - 80 lumens • White Floodlight - 100 lumens • Red Floodlight - 9 lumens • Green Floodlight - 18 lumens • Dual-Light - 115 lumens
ON/OFF	Two Switches - Right: High/Low Spotlight • Left: High/Low Floodlight
RUN-TIME	High Spotlight - 4 hours • Low Spotlight - 8 hours • White Floodlight - 4 hours • Red Floodlight - 25 hours • Green Floodlight - 22.5 hours • Dual-Light - 3 hours
BATTERY	3 Premium alkaline AAA batteries (included)
FEATURES	<ul style="list-style-type: none"> • High/Low-brightness Spotlight / White-Red-Green Floodlight / Dual-light • CREE® LED technology – 50,000 + hours LED life • Focused spotlight beam for distance illumination • Unfocused wide-beam floodlight for close-up illumination • Dual-light (spotlight & floodlight at same time) for maximum versatility • IP-X7 Waterproof • Drop rated to 2 meters • Impact & chemical resistant • Engineered polymer housing • Dual switches located on top of light • Adjustable ratchet tilt head • Includes Non-slip elastic head strap and 3 premium AAA alkaline batteries
WARRANTY	Limited Lifetime warranty • Lifetime on LEDs, housing, lens, electronics and switches. Batteries, normal wear and abuse are excluded.
APPROVALS	 This product's components are in compliance with the European Union's directive 2002/95/EC, Restrictions of Hazardous Substances (RoHS)
