

Safety Rated Intrinsically Safe Headlamp

The XPP-5400 Headlamp Series is the ideal hands-free lighting tool when working in a hazardous environment. These headlamps are designed specifically for industrial professionals whose job and life depends on intrinsically safe lighting. Ideal for head or hardhats both headlamps incorporate the Nightstick exclusive Dual-Light functionality that combines a broad beam floodlight and a focused spotlight beam, all in a compact package. A red or green floodlight is added for optimal low-light visibility.
