

Intrinsically Safe Full-Size Polymer Dual-Light Rechargeable

This full-size rechargeable dual-light is cETLus listed intrinsically safe for use in Class I, Division I, Groups C, D & T4 hazardous workplace environments. This light uses 3 LEDs rated at a total of 240 lumens that work in conjunction with a tri-beam high-efficiency deep parabolic reflector to create a usable flashlight beam rated at 175 meters. A 4 LED 155 lumens full-floodlight and a 2 LED 115 lumens half-floodlight is integrated into the housing which is perfect for close up illumination. Additionally both the flashlight and the half-floodlight can be turned on at the same time for maximum versatility. The dual body switches provide multiple lighting combinations including flashlight, full-floodlight, half-floodlight and dual-light operations. Power comes from a rechargeable Nickel Metal Hydride intrinsically safe battery.

Intrinsically Safe Full-Size Polymer Dual-Light Rechargeable

FEATURES

- cETLus listed intrinsically safe for use in Class I, Div 1, Groups C, D & T4 hazardous locations
- Flashlight – full-floodlight – half-floodlight - dual-Light
- CREE® LED technology – 50,000 + hours LED life
- Momentary or constant-on flashlight
- Sharp focused flashlight beam for distance illumination
- Unfocused wide-beam floodlight for close-up illumination
- Dual-light (flashlight & floodlight at same time) for maximum versatility
- Engineered polymer housing
- Anti-roll tri-lobal head design
- Non-slip grip
- Dual body switches
- Water, impact & chemical resistant
- Serialized for personal identification
- Powered by rechargeable Nickel Metal Hydride intrinsically safe battery (included)
- Limited 2 Year Warranty**

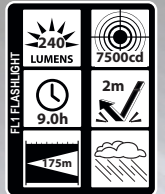

Body switch

Shown with impact bumpers

SPECIFICATIONS

- Lumens: flashlight-240, full-floodlight-155, half-floodlight-115, dual-light-220
- Run-time: flashlight-9 hrs, full-floodlight-9.75 hrs, half-floodlight-13.25 hrs, dual-light-6.25 hrs
- Recharge time: 6 hours
- Beam distance: 175 meters
- Water rating: IP-X4 water resistant
- Drop rating: 2 meters
- Length: 13.6in, head diameter: 2in, handle diameter: 1.7in, weight: 27oz

INCLUDED

- Flashlight
- Rechargeable Nickel Metal Hydride intrinsically safe battery
- Wall/vehicle mountable charger
- AC power supply
- 12 V DC power supply
- Impact bumpers
